

Live illustration
Weddings & events

Add a personal touch to your wedding or event.

byElenore

I would love to help make your special day even more unforgettable!

Live illustration is a unique and creative way to add a personal touch to your wedding, anniversary, birthday or other special occasion.

It is a valuable interactive keepsake your guests will cherish forever.

What is live illustration?

I create live portraits of your guests during your event, either from photos I take or while they pose. For larger weddings I usually photograph guests on arrival so I can continue drawing during the ceremony and dinner and illustrate as many guests as possible on the day itself. We can decide together what works best.

What do I need on location?

I bring all materials. I only need a table and chair. Outdoors? In the shade is appreciated. A 1x1 m table is sufficient.

What do the illustrations look like?

Drawn on premium A5 paper and presented in a protective sleeve.

I use watercolor, markers and ink in an abstract style.

How long does one illustration take?

1 person: 5–7 minutes. Couple/group: 10–15 minutes. That means I can draw a maximum of 10 persons an hour.

Pricing?

Live illustration is available from €875,- for up to 30 guests. Please note that travel expenses will be added, as well as any applicable travel time charges or accommodation costs for events located further away.

To give you a clear overview of the total cost, I have prepared a pricing list showing the rates including VAT for different guest numbers.

I would be happy to provide you with a personalised quotation, so you know exactly what to expect.

Prijslijst:

30 Guest = €875,-

40 Guest = €1200,-

50 Guest = 1470,-

60 Guest = 1735,-

70 Guest = 2000,-

* €0.35/km from Utrecht. Over 50 min travel: €75 per extra travel hour.

More guests?

If you have more than 70 guests? In that case, you can add a Studio Finish to your booking. I will photograph all remaining guests during the event and complete their illustrations in my studio afterwards. The finished illustrations will be carefully packaged and posted to you within one week. The additional cost for a Studio Finish is €270,- (including VAT) per 10 guests. I would be happy to prepare a personalised quotation, so you know exactly what to expect.

It is also possible to book me to draw live only during your drinks reception or evening celebration. In this case, guests who would like an illustration can have one made, while others simply enjoy watching the creative process. This provides a unique and interactive form of entertainment without the need to illustrate every guest. This option is available from €875,- for 3 hours of live illustration.

A little bit extra?

Personalised Paper
It is possible to have your names and wedding date printed on the illustration paper. This gives your guests an extra-special keepsake of your day that they can cherish and even frame at home. The additional cost for personalised printed paper is:

€49 for 30–50 guests
€75 for 51–85 guests

Luxury Envelopes
By default, each illustration is presented in a protective plastic sleeve. If you would prefer beautiful envelopes that complement the style of your wedding or event, that is certainly possible. I would be happy to discuss different envelope options with you to find the perfect match for your day.
